

Name:

Today, I am making a promise to myself to make code education more inclusive, by ...

reaching out to _____

introducing paired programming,
including 'unlikely' duos

introducing a more diverse range
of role models

adding a larger variety of (tactile)
materials to the program

engaging with different personal
interests from participants

encouraging mentoring roles
among peers

creating a quiet / safe / messy /
clean / loud / crafty corner

rewriting our learning goals to be
more flexible

making our workspaces more
accessible and inviting

involving the neighbourhood
or local communities
